Volunteer - Areas of Interest

The CPHS Theatre Booster Officers (co-presidents and/or Volunteer Coordinator) will invite you to help throughout the year with the events that your student is participating with. This means that you may have an opportunity to help with more than one event. Thank you for helping to make each event successful!

Volunteer needs will vary according to each event and each event will have it's own list of needs. Annual events include: Musical, Shakespeare at The Curtain Theatre, Individual Class Productions, UIL One-Act-Play, Thespian Troupe Activities, Improv Troupe Performances, Theatre Summer Camp for Children, and other events, as needed.
